

 <p>Sonoff DW2-RF Quick Guide V2.1</p> <p>RF Wireless Door/Window Sensor</p>	 <p>EN: The device can be operated intelligently via working with the SONOFF 433MHz RF Bridge to communicate with other devices. DK: Enheden kan betjenes intelligently ved at arbejde sammen med SONOFF 433MHz RF Bridge for at kommunikere med andre enheder. SE: Enheten kan manövreras intelligently genom att arbeta med SONOFF 433MHz RF Bridge för att kommunicera med andra enheter. DE: Das Gerät kann intelligently betrieben werden, indem man mit dem SONOFF 433MHz HF Gateway arbeitet, um mit anderen Geräten zu kommunizieren. NL: Het apparaat kan intelligently worden bediend door te werken met de SONOFF 433MHz RF Bridge om met andere apparaten te communiceren.</p> <p>1</p> <p>EN: The device can work with other gateways supporting 433MHz wireless protocol. Detailed information is in accordance with the final product. DK: Enheden kan fungere sammen med andre gateways, der understøtter 433MHz trådløse protokol. Detaljerede oplysninger afhænger af det endelige produkt. SE: Enheten kan fungera med andra gateways som stöder 433MHz trådlöst protokoll. Detaljerad information är i enlighet med slutprodukten. DE: Das Gerät kann mit anderen Gateways zusammenarbeiten, die das drahtlose 433MHz-Protokoll unterstützen. Detaillierte Informationen sind in Übereinstimmung mit dem Endprodukt. NL: Het apparaat kan werken met andere gateways die het 433MHz draadloze protocol ondersteunen. Gedetailleerde informatie is in overeenstemming met het eindproduct.</p>	<p>1</p> <p>EN: Download the eWeLink App DK: Download eWeLink-appen SE: Ladda ner eWeLink-appen DE: Laden Sie die eWeLink App NL: Download de eWeLink App</p> <p>2</p> <p>EN: Install batteries DK: Installer batterier SE: Installera batterier DE: Batterien einbauen NL: Batterijen plaatsen</p> <p>2-1</p> 	<p>2-2</p>  <p>EN: Insert batteries into the battery compartment based on identifiers of positive and negative poles. DK: Indsæt batterier i batterirummet i henhold til markeringerne for positive og negative poler. SE: Sätt in batterierna i batterifacket enligt de positiva och negativa märkningarna. DE: Batterien in das Batteriefach einlegen anhand der Kennzeichnung der Plus- und Minuspole. NL: Plaats de batterijen in het batterijvak volgens de positieve en negatieve markeringen.</p> <p>3</p>	<p>3</p> <p>EN: Close the back cover DK: Luk for bagcoveret SE: Stäng bakkåpan. DE: Schließen Sie die Rückabdeckung NL: Sluit het achterdekseel.</p> <p>EN: Installation DK: Installation SE: Installation DE: Installation NL: Installatie</p> <p>4</p> 	<p>EN: Tear off the protective film of the 3M adhesive. 1) Try to align the mark line on the magnet with that on the transmitter during installation. 2) Install them in the opening and closing area separately (such as windows). DK: Fjern beskyttelsesfilmen fra 3M-klæbemidlet. 1) Prøv at justere markeringen på magneten med markeringen på senderen under installationen. 2) Monter dem separat i det område som krævs for åbning og stængning (t.ex. vindster). SE: Säkerställ att monteringsavståndet är mindre än 5 mm när dörren eller fönstret är stängt. DE: Achten Sie darauf, dass der Einbauspalt weniger als 5 mm beträgt, wenn die Tür oder das Fenster geschlossen ist. NL: Zorg ervoor dat de opening bij installatie minder dan 5 mm is wanneer de deur of het raam gesloten is.</p> <p>5</p>	<p>6</p>  <p>EN: Make sure the installation gap is less than 5mm when the door or the window is closed. DK: Sørg for, at installationsafstanden er mindre end 5 mm, når døren eller vinduet er lukket. SE: Säkerställ att monteringsavståndet är mindre än 5 mm när dörren eller fönstret är stängt. DE: Achten Sie darauf, dass der Einbauspalt weniger als 5 mm beträgt, wenn die Tür oder das Fenster geschlossen ist. NL: Zorg ervoor dat de opening bij installatie minder dan 5 mm is wanneer de deur of het raam gesloten is.</p> <p>7</p> <p>EN: Add sub-devices DK: Tilføj Zigbee Sub-enhed SE: Lägg till underenheter DE: Untergeräte hinzufügen NL: Subapparaten toevoegen</p> 	<p>EN: Connect the Bridge before adding the sub-device. DK: Tilslut Bridge-enheden, før du tilføjer underenheden. SE: Anslut gatewayen innan du lägger till underenheten. DE: Schließen Sie das Gateway an, bevor Sie das Untergerät hinzufügen. NL: Sluit de gateway aan voordat u het subapparaat toevoegt</p> <p>EN: Access the eWeLink APP and select the Bridge, tap "Add" to select the alarm, and a "Beep" means the Bridge enters the pairing mode. Then separate the magnet for more than 20 mm from the transmitter until the LED indicator stays on for 1 to 2s, and the pairing is complete when you hear "Beep Beep". DK: Åbn eWeLink-appen og vælg Bridge-enheden, tryk på "Tilføj" for at vælge alarmer. Et "Bip" betyder, at Bridge er i paringsstilling. Adskil derefter magneten med mere end 20 mm fra senderen, indtil LED-indikatoren lyser i 1 til 2 sekunder. Paringen er fuldført, når du hører "Bip Bip".</p>	<p>SE: Få tillgång till eWeLink App och välj gateway, klicka på "Lägg till" för att välja larm, och ett "pip" betyder att gatewayen går in i parningsläge, separera sedan magneten mer än 20 mm från sändaren tills LED-indikatorn lyser i 1-2s, och parningen är klar när du hör "pip pip". DE: Rufen Sie die eWeLink APP auf und wählen Sie die Gateway, tippen Sie auf „Hinzufügen“, um den Alarm auszuwählen, und ein „Beep“ bedeutet, dass die Gateway in den Kopplungsmodus wechselt. Trennen Sie dann den Magneten mehr als 20 mm vom Sender, bis die LED-Anzeige 1 bis 2 Sekunden lang leuchtet. Die Kopplung ist abgeschlossen, wenn Sie „Beep Beep“ hören. NL: Ga naar de eWeLink App en selecteer de gateway, tik op "Toevoegen" om het alarm te selecteren, en een "Piep" betekent dat de gateway in de koppelingsmodus komt, scheid vervolgens de magneet meer dan 20 mm van de zender totdat de LED-indicator gedurende 1-2s blijft branden, en de koppeling is voltooid wanneer u "Piep Piep" hoort.</p>

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. 2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: —Reorient or relocate the receiving antenna. —Increase the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that which the receiver is connected. —Consult the dealer or an experienced radio/TV technician for help.</p>	<p>FCC Radiation Exposure statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.</p> <p>Warning: Under normal use of condition, this equipment should be kept a separation distance of at least 20 cm between the antenna and the body of the user.</p> <p>For CE Frequency EU Operating Frequency Range SRD: 433.92MHz EU Output Power 433.92MHz±10dBm</p> <p>EU Declaration of Conformity Hereby, Shenzhen Sonoff Technologies Co., Ltd. declares that the radio equipment type DW2-RF is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: https://sonoff.tech/compliance/</p>	<p>WEEE Disposal and Recycling Information</p>  <p>All products bearing this symbol are waste electrical and electronic equipment (WEEE as in directive 2012/19/EU) which should not be mixed with unsorted household waste. Instead, you should protect human health and the environment by handing over your waste equipment to a designated collection point for the recycling of waste electrical and electronic equipment, appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. Please contact the installer or local authorities for more information about the location as well as terms and conditions of such collection points.</p> <p>1 The equipment is only suitable for mounting at heights ≤ 2 m</p> <p>Shenzhen Sonoff Technologies Co., Ltd. 3F & 6F, Bldg A, No. 663, Bulong Rd, Shenzhen, Guangdong, China ZIP code: 518000 Service email: support@itead.cc Website: sonoff.tech MADE IN CHINA</p>	 <p>Do not ingest battery, Chemical Burn Hazard. Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention. Do not replace a battery with an incorrect type. Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion. Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas. A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas. Do not short-circuit batteries. Do not use new and old batteries together. Do not use batteries of different types/manufacturers together. Do not use batteries in reverse polarity.</p>	<p>EN Warning</p> <ol style="list-style-type: none"> This product is not a toy and not intended for use by children. For adult use only. The appliance is suitable for moderate climates only. The ventilation must not be impaired by covering the appliance with items such as newspapers, table cloths, curtains, etc. Naked flame sources, such as candles, must not be placed on the appliance. <p>DK Advarsel</p> <ol style="list-style-type: none"> Dette produkt er ikke legetøj og er ikke beregnet til brug af børn. Kun til brug for voksne. Apparatet er kun egnet til moderate klimaforhold. Ventilationen må ikke blokeres ved at dække apparatet med genstande som aviser, dage, gardiner osv. Åbne flammer, såsom stearinlys, må ikke placeres på apparatet. <p>SE Varning</p> <ol style="list-style-type: none"> Denna produkt är inte en leksak och inte avsedd att användas av barn. Endast för användning av vuxna. Apparatet är endast lämpligt för måttligt klimat. Ventilationen får inte försämrings genom att apparaten täcks med tidningar, bordsdukar, gardiner etc. Källor med öppen låga, t.ex. stearinljus, får inte placeras på apparaten. 	<p>DE Warnung</p> <ol style="list-style-type: none"> Dieses Produkt ist kein Spielzeug und nicht für den Gebrauch durch Kinder bestimmt. Nur für Erwachsene geeignet. Das Gerät ist nur für gemäßigte Klimazonen geeignet. Die Belüftung darf nicht durch Abdecken des Geräts mit Gegenständen wie Zeitungen, Tischdecken, Vorhängen usw. beeinträchtigt werden. Offene Flammen, wie z. B. Kerzen, dürfen nicht auf das Gerät gestellt werden. <p>NL Waarschuwing</p> <ol style="list-style-type: none"> Dit product is geen speelgoed en niet bedoeld voor gebruik door kinderen. Alleen voor gebruik door volwassenen. Het apparaat is alleen geschikt voor gematigde klimaten. De ventilatie mag niet worden belemmerd door het apparaat af te dekken met voorwerpen zoals kranten, tafellakens, gordijnen, enz. Er mogen geen open vlammen, zoals kaarsen, op het apparaat worden geplaatst 	<p>Maintenance The product must be maintained (cleaned) regularly either by the user or by specialized service centers, at the user's own expense and responsibility. If the user manual does not specify required maintenance, cleaning, or service intervals, the physical condition of the product should be assessed at least once a week for any deviations from that of a new product. If any deviation is detected or observed, immediate maintenance (cleaning) or servicing must be carried out. Failure to maintain (clean) the product properly and respond when a deviation is identified may result in permanent damage to the product. The manufacturer is not liable for damage caused by negligence.</p> <p>Environmental Protection The product complies with the requirements of the so-called New Approach Directives of the European Union (EU), which relate to issues concerning user safety, health protection, and environmental protection. These directives define the risks that must be identified and eliminated.</p> <p>Safety Precautions</p> <ul style="list-style-type: none"> Before switching on, ensure that the device's contacts are clean. Do not leave the device unattended while in use. Make sure that the device can be quickly disconnected from the power source in case of an emergency. Never expose the device to high temperatures. Keep the device in a dry and well-ventilated area, away from flammable materials and other objects. Never cover the device while it is turned on. Never use a power supply, charging station, cables, etc., without the manufacturer's recommendation and certification. The device may contain cells that are difficult to extinguish—equip yourself with a fire blanket.
